Dev Batra, M.D. - Texas

– "Offering Vein Formula 1000 in our center has led to even greater patient satisfaction. Happy patients always refer friends. It's a great product that really works. We wouldn't be without it in our practice.

Clint Hayes, M.D. - Texas

– "Several years ago, based on evidence accumulating in medical literature, we implemented dietary supplements with micronized diosmin. When Vein Formula 1000 became available, we adopted it immediately."
